CONFESSION AND FORGIVENESS

ALL: Lord, we have been given life, but we have not lived. We have enjoyed the wonder of your creation but have failed to acknowledge you as Creator. We have sought the full pleasure that life has to offer, but we feel like we have been short-changed. Lord, we confess that we have separated ourselves from you by our thoughts, words, and actions. We desire life to be what it was meant to be. We are in need of a Savior. Lord, forgive our sin and give us real life in you. Amen

P: Our God is the God of life. Our Creator God, who brought the world into being, created each of us, and desires only the best for us. God knows of our sin and has provided for our deliverance through Jesus, God with us. Jesus gave up His life so that we might live. Jesus' death was for our sin and for our daily relationship with Him. Our God is the God of life. As we trust God our life is made new and we can live together with God for now and throughout eternity. Praise God for the gift of life.

PRAYER

Almighty One, renew us daily through the power of your Holy Spirit that we might be nurtured in faith and holiness through having been grafted onto the true vine, Jesus Christ our Lord; in whose holy name we pray. Amen
