Confession and Forgiveness

(All, in unison): **Lord, we confess our lack of power. We sometimes feel helpless, alone and weak. We realize now that each time we try to do everything on our own, we fail. Lord, we need your power. We need to rely on you daily to do the things that are necessary for our life. We want your power to be ours so that we can stand tall in your world. We need to be reassured that death need not be feared and that true life is found in you. Amen.**

Worship Leader: The God that we worship here today is a great God! In creation we see a glimpse of God's power and majesty. In God's Son we see ultimate love for us in action. In the Holy Spirit we see ongoing encouragement and power for every day. Our God is a great God! Jesus has forgiven our sin and made a right relationship between us. God has given us all the gifts necessary to do the work of a believer. Praise God for love and kindness. Amen.
