Transfiguration of Our Lord

Opening Medley

"Agnus Dei"

"Open the Eyes of My Heart"

Confession and Forgiveness

Lord, we are a restless people. As the weight of the world increases we look everywhere for release. We confess today that we have not found solutions to our problems or deliverance from our burdens. We desire peace. Our hearts need a resting place where the worries of everyday life are in perspective and where the sin of our life is forgiven. Lord, give us peace and forgive our sin. Amen.

Worship Leader: Our God is a God of peace. God says, "Come to me, all who are tired from carrying heavy loads and I will give you rest. Take my yoke and put it on you, and learn from me, because I am gentle and humble in spirit; and you will find rest." The peace we desperately seek is ours through Christ Jesus. The weight of our sin has been taken by Him in His death and resurrection. We no longer are carrying our sin but we are free; released from sin's burden. We can be at peace because of God's great love for us as children. Praise God for love and peace.
