### Confession and Forgiveness

All: **Lord, God of grace and glory, we come to you today as family who have sinned and fallen short. We have not given ourselves in love and service. We have followed our own selfish desires, ignoring the needs of the community of faith around us. Forgive our sin, sensitize us to the brothers and sisters who need our concern and give us faith and power for today. Amen.**

L: God has shown grace and glory to us. Jesus, God's Son, went to the cross to pay the price for our sin and separation in order that we would be made right and could be part of the family again. Through the Holy Spirit we are given power to change and become new each day as God lives life through us. We share in the death of Jesus just as we share His resurrection. We have been made one with the family of God again. Praise God for grace and glory.
