## FEBRUARY 2016 NEWSLETTER

### LENT BEGINS FEBRUARY 10TH (ASH WEDNESDAY)

Our theme for our Lenten journey this year is **Living Lent: As People of the Resurrection**. Each midweek service will focus on one word to consider while living Lent as Easter people. As we journey again with Jesus we will be watching for these signposts along the way: **Ponder, Purpose, People, Proclaim, Praise, Pain, Palms, Prayer, Passion and Paradise**. Each service will help us see that we are always alive in Christ, who died and was raised. Each service will begin at 7:00 p.m. with Lenten suppers before and coffee and fellowship afterwards. Please join us again as we retrace the steps of Jesus to the cross and on to the empty tomb, watching for these signposts along the way.

February 10 (Ash Wednesday) – Imposition of Ashes and the Lord's Supper – Luke 5:27-32

Our Ash Wednesday service is based on the word **PONDER** and reminds us that Lent is a time to ponder our relationship with God and with one another and to discover the love of God seen in the cross and empty tomb.

February 17 – Luke 19:1-10

This service is based on the word **PURPOSE** and reminds us that Lent is a time to find God's purpose for our lives, fulfilled in our redemption by Jesus, who seeks to the lost and gives us new life.

February 24 – John 10:14-18

This service is based on the word **PEOPLE** and reminds us that we are called to be among the people in this world. People matter to God; He sent Jesus to save them. People should matter to us; we are sent to love them.

### **Lenten Suppers**

Wednesday evenings beginning February 10

Before each mid-week Lenten service a free-will offering supper will be served in the fellowship hall between 6:00 and 6:30 p.m. by various groups and organizations in our congregation. These meals have become a great time for fellowship with other members and a chance to meet other members around a meal. Our first meal will be served by our youth on Ash Wednesday (February 10) and then served by other groups for the next five Wednesdays. Easter is March 27 this year. A list of the menus will be posted along with the group that is serving. Please join us and bring your family and friends with you!

## SUNDAY WORSHIP: EXPLORE THE BIBLE (MATTHEW 1-13)

We will conclude our study and sermon series on the first thirteen chapters of the gospel of Matthew during the month of February. We will examine some of the key teachings of Jesus as it pertains to living in the Kingdom of God. We will be challenged once again by Jesus to live lives that reflect the coming Kingdom of God within us. A few copies of the personal study guide are available on the back table for you to use in expanded personal and group settings during the week (suggested donation is \$5).

February 7 – Matthew 9:35-38; 10:1-8 – “In His Service”  
Transfiguration Sunday

February 14 – Matthew 11:20-30 – “An Open Invitation”  
1<sup>st</sup> Sunday in Lent

February 21 – Matthew 12:38-42 – “What's the Sign?”

February 28 – Matthew 13:1-13 – “Access Granted”  
3<sup>rd</sup> Sunday in Lent

### **Sunday Dramas**

During Lent on Sundays

During our worship on the Sundays of Lent, we will be hearing short testimonies (3-4 minutes each) of biblical characters that either walked with Jesus as His disciples or were witnesses to an event in Jesus' life when He turned His face toward Jerusalem. Members of our congregation will portray a certain character in a short engaging monologue to help us enter into the mind of each person. We will be having 8 short dramas through Easter Sunday. Please join us as we learn what it meant to walk with Jesus.

#### Sunday, February 14 – John the Baptist

John the Baptist may have never set out to talk much, but listen as he describes ending up with a front row seat to the beginning of Jesus' ministry.

#### Sunday, February 21 – Simon Peter

After being put in his place, Peter recounts being called “Satan” and how he realized that the one needing saving wasn't Jesus, but himself.

#### Sunday, February 28 – Temple Cleansing

Widowed and just wanting to worship, a woman describes the scene at the temple when Jesus drove out the money changers and the kind of rescue that meant for her.

## PASTOR STEVE'S LETTER: "THE ROAD NOT TAKEN"

One of the amazing things about traveling in a car in the United States is that we have so many different ways to reach our destination. When I am in a hurry I will take the quickest and fastest way. When I have more time I will take a more scenic route – roads that most travelers don't travel because the speed limit is slower and you have to travel through many small towns. And sometimes I will break my routine and take a totally different route – sometimes traveling through neighborhoods and back roads I have never ridden. Life on the highway is quite amazing because we have so many roads upon which we can travel and so many destinations from which we can choose. There is literally no way we can travel on all the roads we have in the United States. Each journey in itself can be an adventure.

However, when it comes to life, would it surprise you to know that there are only two roads upon which people travel. Jesus calls them "gates," but I would like to think of them as "roads" or "paths." One is narrow while the other is wide. One is easy while the other is more difficult. One is traveled by most while the other is traveled by few. One leads to destruction while the other leads to life (see Matthew 7:13-14). The road Jesus is talking about is the life that either follows Him or the life that is lived independent of Him. Robert Frost, in his poem "The Road Not Taken," begins with these familiar words: "Two roads diverged in a yellow wood, And sorry I could not travel both, And be one traveler, long I stood, And looked down one as far as I could." And then he ends with this important conclusion: "Two roads diverged in a wood, and I — I took the one less traveled by, And that has made all the difference."

Jesus, at the conclusion of His Sermon on the Mount (Matthew 5-7), makes the same comparison as Robert Frost does in his poem. In life there are only two paths upon which we can travel and only one will make all the difference (following Jesus with ALL our heart, soul, mind and strength). Sadly, most people take the wide road because it is all about ME—my wants, my desires, my goals, my satisfaction. This road caters to the SELF (which was the reason for The Fall in Genesis 3 – wanting to be our own god, making our own decisions of right and wrong, all the while promoting the self. It is attractive. It is appealing. It fills churches with a prosperity gospel which tells you all will be fine, you will be successful; you can live a pain-free life, etc. However, Jesus came to save us from this false teaching and false sense of fulfillment. Our fulfillment comes only from God the Father through His Son. That is why God twice spoke from the heavens and said: "This is my beloved Son. Listen to Him" (at Jesus' Baptism and Jesus' Transfiguration).

Jesus goes on to compare traveling on these roads to two people building a house. One builds his/her foundation on the sand (easy to do with little work and sacrifice), while the other builds his/her foundation on rock (hard to do requiring lots of labor and work). Our human nature is to take the easy road and hope for the best. But storms do and will come into our life (whether economic, relationships, health, etc.). And then the question will be: how strong is our foundation? Can you survive the storms that will sweep you away with worry, fear, and defeat? However, Jesus promises, if you have built your foundation on the rock (meaning, taking the time to know Jesus and who He truly is), you will not only survive these storms in life but your relationship with Jesus will only grow stronger. Jesus also says at the conclusion of His Sermon on the Mount that simply saying, "Lord, Lord" may not be enough. Both builders heard the words of Jesus, but only one put them into practice. Hearing is the beginning of faith but doing what Jesus says is the KEY to a life lived with confidence and joy. The apostle Paul would later say: *"for I have learned to be content whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do everything through him who gives me strength."* (Philippians 4:11-13)

So in conclusion, upon which road are your feet traveling this year? Upon whom or what are you building the foundation of your life? Jesus came to show us the way and the life and the truth. The path may not seem as well-worn as the other. It may seem difficult and appear like you are traveling all alone at times. But be assured, Jesus' last words to us were: "And lo, I am with you to the close of the age." (Matthew 28:20)

On the road again with Jesus — traveling with Him to Calvary!

## PASTOR MATT'S LETTER TO THE CONGREGATION

*“For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life. “Indeed, God did not send the Son into the world to condemn the world, but in order that the world might be saved through him.” John 3:16-17*

How quickly things turn from white to red, as far as decorations go, that is; moving from the white of Christmas and now already seeing Valentine's Day stuff everywhere I go. I'm beginning to believe we live by holiday in this country. Back to the point: when I think of Valentine's Day I always think of Charlie Brown, and him standing on his tiptoes every day hoping and longing for a Valentine from that little Red Haired Girl. You can feel such a sense of longing and then almost crushing despair when he gets to the mailbox and opens it to see nothing; nothing at all. Perhaps you remember that feeling from your younger days? Today the PC machine has attempted to alleviate this feeling of sadness by requiring each child to bring valentines for every person in their class, no question; the challenge being that true love can never be required.

I have also always loved the image of God's Word being a huge valentine for each of us. The whole book, 66 books in one, focused on the love of God for me through Jesus Christ and Him right at the center of it all. At the heart of the gospels that set of verses quoted above; often referred to as the Gospel in a nutshell, but I have learned that you cannot separate John 3:16 from 17. The two must be quoted together all the time. Listen to the love letter of verse 17. In verse 16 God's love is clear through Jesus for everyone. Still, so often we stand like Charlie Brown on our tiptoes looking for some sign of love from God, and so often we get dismayed or crushed because we don't seem to find it from Him. Verse 17 reminds us, when we feel unlovable before God, that His love is for ME. Even better, when we get those feelings like Jesus is only trying to point out my sin, looking at verse 17, I can realize that it is out of love for ME that He reminds me and shows me, who I'm being so I can grow back toward Him.

I feel sadness for all those who miss out on the depth of this love and this Valentine sent for us, because they never get to learn the true, limitless love of Jesus for them, because they never study and read the Bible. But, this is why God's love is so amazing, for everyone. Despite our not showing up in His mailbox, He keeps sending the love. That is perhaps why though I appreciate deeply John 3:16-17 as the clearest example of God's love, I have learned in my study and reading that the true Gospel in a nutshell is the Parable of the Prodigal Son. The son walks away, doesn't come back, and stays away for what seems a very long time; but, when the son finally realizes his need for the Father's love and learns through experience that in his father's house he will be nourished and cared for, he comes home.

What is the Father's response? No condemnation, nor judgment, and not even a lecture; when the son realizes his need to come home from a long way off, he sees his father standing on the house porch looking for and waiting for him as he has done every day since the son left. As he approaches he sees the Father's hands open and longing for him. As he gets closer, his Father doesn't wait any longer for him, but runs to the son to grab him, hold him, reclaim him, and to start a major celebration on his account. That is the Gospel in a nutshell, experienced. For every time of wandering and every wandering heart, God is already waiting, longing, looking to see if they will come home to him. Quite a love letter indeed. A love letter that never requires love, but longs for us to respond to God.

God's love to you all.

Right in the middle of a cold and dreary winter comes a great way to warm up and fellowship with the Body of Christ. Come out, eat some chili AND SOUP, and help to vote for the winner of the coveted GOLDEN SPOONS. Entrance to the chili AND SOUP cook-off is a \$5 entry fee (and a chili OR SOUP) and voting for the best chili and SOUP happens with \$1 bills so head to the bank and make sure you got plenty of singles on hand. Bring a game to play with others and have a blast. SATURDAY January 30th beginning at 5 pm until done! You don't want to miss out on this night.

**Sooner than you think** - for parents of younger children a special. How do you start to talk to your children about sex? What should you say? When should you say it? Planning conversations with your kids about sex might seem stressful, but it's easier than trying to answer their questions when you're not prepared. Take in and personalize this information for your family and you will find that these conversations serve as tremendous opportunities for strengthening your relationship with your children. In these sessions you will learn not only how to have the big discussion, but also increase your own confidence in discussing difficult topics with your children, strengthen your own confidence, and learn to define your family's mission statement. Please register with Pastor Matt by February 19th. The workbook cost is \$13.00.

**Ash Wednesday Fundraiser Dinner** for the Youth Group – Wednesday evening beginning at 6:00 pm the Youth Group will provide a dinner for the congregation as a fund raiser for their work. The meal this year will provide Stuffed Pork Loin, Cheesy Garlic Whipped Potatoes, Gravy, Green Beans, Rolls and desserts and beverages. Please come and join us for a meal.

Parents of children eligible for First Communion – Reminder that classes will begin on Wednesday February 17th, 24th, March 2nd, 9th, and 16th beginning at 5pm until 6:15 to 6:30 pm. Please register your child with Pastor Matt as soon as possible.

**YOU are needed.** As we begin to form the new year of learning and passing on the faith, we need YOU to help and teach a topic for our children and youth. Classes are two or five sessions long and range from 1 to 1 1/2 hours in length. Typically a class leader would teach on Wednesday or Sunday but each class has the flexibility of scheduling in agreement with the teachers and the parents of children. Each class has fully documented information and ideas for class time and the pastors are here to help support and work with you as you prepare and teach. We can even participate with you to help learn the ropes of youth ministry. What is needed most is a heart for Jesus and His children and a desire to pass on your faith.

## HEALTH MINISTRY

“I pray that everything may go well with you, and that you may be in good health, as I know you are well in spirit.” (3 John 2)

### Heart Disease Facts

- Heart disease is the leading cause of death for both men and women. More than half of the deaths due to heart disease in 2009 were in men.
- About 610,000 Americans die from heart disease each year — that’s 1 in every 4 deaths.
- Coronary heart disease is the most common type of heart disease, killing more than 370,000 people annually.
- In the United States, someone has a heart attack every 43 seconds. Each minute, someone in the U.S. dies from a heart disease-related event.
- Heart disease is the leading cause of death for people of most racial/ethnic groups in the U.S., including African Americans, Hispanics and whites. For Asian Americans or Pacific Islanders and American Indians or Alaska Natives, heart disease is second only to cancer.
- Coronary heart disease alone costs the United States \$108.9 billion each year. This total includes the cost of health care services, medications and lost productivity.

### Risk Factors

High blood pressure, high LDL cholesterol, and smoking are key heart disease risk factors for heart disease. About half of Americans (49 percent) have at least one of these three risk factors.

Several other medical conditions and lifestyle choices can also put people at a higher risk for heart disease, including:

- Diabetes
- Oversight and obesity
- Poor diet
- Physical inactivity
- Excessive alcohol use

Choosing healthy meal and snack options can help you avoid heart disease and its complications. Be sure to eat plenty of fresh fruits and vegetables.

By living a healthy lifestyle, you can help keep your blood pressure, cholesterol and sugar normal and lower your risk for heart disease and heart attack. A healthy lifestyle includes the following:

- Eating a healthy diet
- Maintaining a healthy weight
- Getting enough physical activity
- Not smoking or using other forms of tobacco
- Limiting alcohol use

Board of Administration Meeting Minutes — January 19, 2016

Present: Greg Moen, president; Steve Jessen, finance      Absent: Joan Falke, stewardship; Ginger Beckman, personnel

Greg distributed the agenda for tonight's meeting. A job description is needed for the position of Financial Secretary on the Budget Review Committee. Greg and Steve will develop this.

A member has expressed interest in joining this board. Greg instructed Kathy to email him all job descriptions for the Board of Administration.

Steve distributed the balance sheet as of 12-31-15 and Profit & Loss budget vs. actual for 2015.

Greg identified the need for ongoing fundraising for the childcare program, for which a committee is needed.

Steve reported that we need to adopt the sexual misconduct policy, which needs to be reviewed with all staff and volunteers and training provided. Having this policy in place will have a positive impact on our insurance premium.

Steve contacted Amen Snow Removal and informed them that we now operate a childcare center and it is necessary to clear the parking lot earlier, as well as the sidewalk, before staff and infants arrive. Mr. Amen agreed to do so, and requested that we let him know if we have a funeral scheduled so they can provide snow removal, if necessary, before the service. This will cost more but will also prevent a slip-and-fall claim against our insurance, saving money in the long run.

Items to bring to the joint board meeting for discussion are: 1) sexual misconduct policy, 2) Local Benevolence, and 3) membership renewal in the Chamber of Commerce.

Next board meeting will be Tuesday, February 16, at 6:30 p.m.

#####

Minutes of the January 19, 2016, Joint Board Meeting

Present: Greg Moen, Steve Jessen, Pastor Steve, Pastor Matt, Charlie Skoglund, Linda Cyboron, Margaret Svitak, Mary Weich, Brian Anderson, Becky Bahnfleth

Greg provided a recap of the Board of Administration's meeting.

Mary Weich pitched an idea for fundraising for the childcare program, i.e., we sign up with Nebraska Life magazine and receive 40 percent of their subscriptions. She asked for, and received, our blessing.

Margaret asked if the childcare program can have its own checkbook. Per Steve Jessen, this is not necessary.

Brian asked if the childcare program could qualify for United Way funding, and the answer is yes, we just need to make an annual presentation to them, including the program's budget.

We need to adopt the LCMC employee handbook and sexual abuse policy and document that all staff and volunteers have received the necessary and required training.

The Local Benevolence list was distributed and reviewed. Pastor Matt offered a motion to remove Lutheran Family Services (as there is no longer a local office) and replace it with the Teen Moms Infant Childcare Center Program, and remove Mosaic and replace it with MOPS; Charlie seconded the motion. Following discussion, a voice vote was taken with all in favor; motion passed. At the end of 2016, whatever it takes to complete our obligation to MOPS, which is \$600 per year (\$50 per month), will go to that group, with the remainder going to the Teen Moms childcare program. In addition, we will no longer give \$20 per month to KPNO (Kathy will inform Rhonda Piske). Mary will take the bill from the Norfolk Area Chamber of Commerce to the next childcare oversight committee meeting, who will decide if they think it will be beneficial to the program to continue our membership, and will advise Rhonda Piske of their decision.

Margaret set the agenda for the upcoming board retreat: 1) filling committees; 2) Skype with Pastor Garry; 3) which way is God leading us; 4) task lists; and 5) elections. The schedule is 6 to 10 p.m. Friday, January 29, and 8 a.m. to 2 p.m. Saturday, January 30. Mary will plan the meals.

Meeting adjourned at 9:25 p.m. Mary closed with prayer.

President Margaret called the meeting to order at 11:30 and Pastor Steve opened with prayer.

Charlie Skoglund read the first proposal, to offer childcare year-round, and offered a motion to accept the proposal, seconded by Millie Drey. The floor was then opened for discussion. Kathy Rogers read the second proposal, to open up the childcare program to include non-teen mothers, and offered a motion to accept the proposal, seconded by Tara Peters. The floor was then opened for discussion. Following the discussion period, Bob Lutz called for a vote. A ballot vote was taken, and the results were 22 in favor, 24 opposed, and one abstained. Proposal 2 did not pass.

Members were then directed to their mailboxes to find copies of Pastor Garry Seefeldt's report, "Moving Forward." Two flowcharts were distributed showing proposed new teams and where they would fall under board supervision. The boards will discuss at their retreat (Jan. 29-30) whether to bring back Pastor Garry. Members were asked to let the board know of any issues or concerns they would like the board to address at their retreat.

Margaret closed the meeting with prayer at 12:45 p.m.

Present: Michelle Anderson, Becky Bahnfleth, Nell Finkral, Kathy Rogers

Kathy read from "Meditations for Altar Guild Members." Packets were handed out to those present [and the same was put into mailboxes of those who were absent] containing today's agenda, the monthly Altar Guild and Communion Bread Baking schedule, color Church Year Calendar [a wall calendar, provided by Thrivent, is on the wall in the altar closet], responsibilities of the altar guild, diagram of the layout of the altar, job description [under supervision of the Worship Committee], instructions for stripping of the altar on Maundy Thursday, and a recipe for communion bread provided by Pastor Matt. It was suggested that a copy of the handouts be placed in the altar closet. Those present will gather on Friday, February 12, at 3 p.m. to clean and organize the altar closet. As we cannot locate the original banner photo album, Michelle will take pictures and we will create a new one. The altar guild will serve the Lenten meal on Wednesday, March 9, and it was decided that we would do a potato bar. The next Altar Guild meeting will be in March following the Worship Committee meeting to prepare for Easter. Becky closed the meeting with prayer.

### **Sing together**

A U.S. study on 68 older adults revealed that those who joined a choir were in better health, used less medication, were less lonely, and had fewer falls after a year than a similar group of non-singers. This could in part be due to the impact that singing has on breathing, but the emotional benefits of giving voice in a crowd may be just as important. So if you enjoy it, whatever the quality of your voice, try to find the chance to sing communally, whether in a formal choir, at a family singalong, in church or temple, or in a crowd of thousands at a football game.

### **Retire Wisely**

One hour workshop after worship on February 28

Thrivent is providing free workshops this year at Christ the Servant on various topics of interest. A copy of the workshops with a brief description and the dates are located on the back table in the church. A sign-up sheet for each workshop will be provided to help our presenters know how much material is needed for each workshop. The first workshop is entitled "Retire Wisely" and is designed to help you understand and manage the six risks that all retirees face: outliving your income, inflation, unpredictable events, market volatility, income taxes and rising health costs. Within this workshop all these six risks will be explained and attendees will be given help to understand how to manage them before and after retirement. Please note: Thrivent will not be visiting or calling you without your permission or invite. These workshops are their gift to the church at large.
