Confession and Forgiveness

Eternal God, we pray that you will listen as we confess our failures in love and friendship. We have talked about such things as caring, community and concern, but instead have shown anger, hostility and greed. We have talked about love, faith and hope, but have shown injustice, distrust and apathy. We have talked about kindness, forgiveness and gentleness, but yet have shown hate, spite and selfishness. Forgive the sins of our fallen condition; the sins of our broken promises; the sins that we dare not name. In the name of Jesus who was crucified for sin, forgive us. Amen.

L: This is how God showed love for us; Jesus came into the world that we might have life. This is what love is. It is not that we have loved God, but that God loved us and sent Jesus to be the means by which our sins are forgiven.
