Confession

**Lord, we confess that we have talked about love and reached grand conclusions, but have not really loved as You intended. We have instead showed indifference, anger, and hostility. Lord, we need a savior. We need to be delivered from this sin that separates us from You and Yours. We need You to be real for us today. Amen.**

Forgiveness

Our Lord is a Lord of love. God caused love to come into existence and demonstrated that ultimate love in giving Jesus to die for each one of us that our sin might be forgiven. Love has been given to each of us, freely, and forever. We need not change or become different to receive this love. God invites us to come as we are! Praise God for love that forgives and forgets.
