Confession

Lord God, today we pause again to confess our shortcomings in life and love. We want to live life to the fullest, but we always seem to become disillusioned or disappointed. We want to have deep, meaningful relationships, but we seem to short-circuit those we love with our own selfishness. Lord, we need the power to change, but we realize now that we cannot do it on our own. We are sinful; we fall short of the mark; and we ask for your forgiveness. Amen.

Forgiveness

The God of all creation has entered our human existence in the person of Jesus Christ. Through Him our sinful condition has been given new possibilities of faith and life. By His death and resurrection, the price of our sin has been paid in full, and we stand before God as new people. The Holy Spirit is present with us and in us to give us the power to live out this new life. By the spirit we have life. Praise God.
