### Confession and Forgiveness

All: Our hearts seem heavy, Lord, because we carry the weight of our past with us. We have not forgotten about our yesterdays, and the memories of our past threaten to undo us. We are tired and we need to rest. We have walked for too long on our own, and we need a Savior to carry our sin. God of compassion, lift the burden of our sin and forgive us so that we can be freed up to live new lives in you. Amen.

Worship Leader: Your God is a God of compassion and has heard your voices asking for forgiveness. You no longer need to carry the weight of your own sin because it has been lifted from you and taken to the Cross with Jesus, the true Son of God. The sin which seemed so heavy is forgiven. You are free, you can stand straight and walk confident in the love and care of your Creator. Praise God!
