## Welcome

### Opening Praise Medley

*"Glory to God"*

*"Hosanna"*

### Confession and Forgiveness

All: Lord, we come to you today in need of forgiveness. We have believed the words of the false prophets who have led us into selfish materialism and empty humanism. Forgive the sins of our fallen condition. We have believed the words of those who have told us that we can change ourselves with manufactured love. Forgive the sins of our fallen condition. We have believed the words of those who promised salvation through false gods. Forgive the sins of our fallen condition. Amen.

Worship Leader: Today our God comes to us with a new word proclaiming forgiveness for all sinners. This word shouts freedom for the captives and new life for those who were dead. This word brings hope for the defenseless and eternal life for those who trust in the Lord. This word comes to life for each of us in the person of Jesus Christ, whose death for our sin assures us of our forgiveness. Praise God for this life-giving Word.
