Confession and Forgiveness

All: We confess our lack of peace. We are unsettled and temporary. Our emotions drift from one point to another, keeping us on edge. We try to structure our world for maximum protection, yet we find our fortress of self-sufficiency penetrated daily. Lord, we need to find your peace. We want to stretch out and rest in your loving arms. Lord, forgive the distance we have placed between us. Amen.

WL: God is a great God! God has forgiven our sin. With love, God brings the gifts of peace, patience, and kindness. God's love is the motivation for our love and we can never be the same. God's peace becomes ours as we give more of ourselves. We can live confidently, knowing that our strength is in Christ, and that the pressure of our life has been relieved through God's kindness. Jesus' death and resurrection has set us free to know real peace.
