Confession and Forgiveness

C: Lord, we have been called to follow you, but we have not responded. We have been commanded to love one another, but we continue in our old ways. We have been told to spread the good news of your love to every part of our world, but have found the mission too difficult. We have not loved you with our whole heart and our neighbors as ourselves. We come today looking for good news. Forgive our sin. Amen.

P: Today there is Good News! God has forgiven our sin so that we might love each other the way we were intended to love. In our failures and in our desperation God picks us up and breathes new power into our needy lives. The eternal love of God is made ours in the death of Jesus on the cross, to pay for our sin and separation. God's love is the Good News for everyone today.
