Confession and Forgiveness

C: Lord, we confess our sin. You have showered us with blessings beyond compare, but we have chosen to turn our backs to you. You have given us everything that we need to live a joyful life, yet we complain and desire more. You continue to give your love to us daily, yet we choose to manufacture our own love. Lord of our failures and disappointments, we bow before you today asking for your forgiveness. Amen .

WL: Our God created us to live in harmony. Although our sin separates us, God has provided the means by which our sins can be forgiven. The death and resurrection of Jesus Christ has reunited us with God. We who trust God with our life have the power to be what we were intended to be. Praise God for life-giving love.
