From the Pastor – May 2023

Can you believe that Easter has come and gone, school is about to end and we are beginning to plan for Bible Day Camp? It's hard to believe where the year has gone and I am so excited about what the future holds.

I was honored to recommend Colin to be recognized by the Noon Kiwanis Club as the Church Youth of the Year. He has shown leadership and been a willing servant in so many ways. The ministry we offer has been enhanced by his gifts. Congratulate him on the recognition. And thank you mom and family for supporting him and all your youth in teaching them to believe and do.

Pay attention to the calendar and watch for opportunities for each of us to grow our faith and invite others to enter into a journey drawing them closer to Christ.

Take advantage of the opportunity on May 8 to come and hear about the ministry in Estonia. Don't know anything about it, come and learn and let's invite others to be a part of this. We will also have treats following the presentation and time to fellowship. This is exciting about what is happening in Estonia, but should also give us courage to move forward in our ministry here. Come and hear, come and see, isn't that what we are supposed to do.

God's Peace,

Pastor Cindy
